### PCC MEETING MINUTES – 22nd March 2023

The meeting was held in Church Cottage and was opened at 7.30pm by AC.

#### **5.1. Inspire Project:**

NJ had submitted five documents prior to the meeting which were to be used in the submission to the DAC. Response to all documents by PCC members was very favourable. NJ also referred to the recent open church meeting which had a good attendance and a strongly supportive and favourable tone. NJ reminded the PCC of the Pledge Weekend (22/23 April). PCC members expressed huge gratitude to NJ for the immense amount of work he has undertaken on behalf of the PCC to bring the Project to this point.

*\*NJ proposed, SH seconded that the PCC approves the faculty submission for Project Inspire, through the DAC, based on the Statement of Need v17 and supporting annexes, Statement of Significance Parts 1 and 2 v9 and supporting drawings and reports from Chedburn Codd and specialist consultants.*

Passed unanimously by those present (9 in favour, 0 abstained, 0 against) with one further PCC member unable to attend sending a positive vote in via email.
