

Praying through the months of 2024

There are always topical prayer pointers on the weekly bulletin, which is available online and in church each week. This diary of daily prayer topics covering a month has been produced to guide us through the months, suggesting both local and mission partner topics for prayer. We hope that you will find these daily prayer themes useful and that as we pray, we will feel more closely connected to one another in Jesus' name.

"When you call me and come and pray to me, I will listen to you."
