MEN ALOUD OUT!

Who are we?

Men Aloud Out has been set up as a relaxed talking place for men.

We usually meet on the first Thursday of the month (except January) at The Trout Inn for drinks and discussion. Our topics are wide ranging, but all are considered from a Christian point of view. That does not mean that you have to be a ‘church-goer’ or to be particularly knowledgeable. You’ll find we are just a bunch of ordinary blokes, meeting over a pint to put the world to rights. All views are welcome.

Why not give us a try?
